

MarkSmart™ 2008

...marking 21 years of Innovative Products for Golf

From an initial offering of a handful of products in 1987 to today's line... with hundreds of products, Markers Inc. continues the pace with innovative use of leading-edge materials, modern manufacturing and a customer philosophy built on customer satisfaction. In our early years, Markers was the first organization to provide Plastic Golf Course marking equipment to the trade.

Today... advanced material development using Plastic hybrids, enables us to provide very competitively priced products with modular components for added value to the Superintendents and Course owners. In 2008, we are pleased to introduce:

 An expanded line of Flags, Sticks and Cups

 Cast Aluminum and Bronze Tee and Course Signage

 Economical, recycled Plastic Tee and Course Signage

 An improved and expanded line of Driving Range products

 Quick-Ship Windscreen and Fencing

In addition, we are pleased to offer many popular Standard Golf products to enhance our product line.

Please take a few moments to review our expanded Golf catalog that's chock full of budget-stretching ideas for the Superintendent. Any questions??? One of our nearby distributors stands ready to provide answers and anyone on our Marketing Team is available, as well.

Thanks very much for your continuing business and Best Wishes for a successful 2008!

Dale Hlavin, President

05903 Yellow Stripe 05905 Black Stripe 05909 Green Stripe

Standard Tee Signs with Customization

Standard Custom Tee Signs and Markers are made from High Density Marine Grade Polyethylene, for its graffiti and vandalism resistance and minimal maintenance requirements. Select from a range of colors with lettering and graphics that can be prismatically carved, routed or engraved.

No Maintenance... The co-extruded material is virtually indestructible, colors are warranted for 10 years. Signs never need to be repainted, graffiti cleans off with soap, acetone or alcohol based solvents.

The Classic Series

11 x 17" co-extruded 1/2" Polyethylene signs Poly-carved with up to 50 engraved characters and your choice of one of our standard engraved logos - "The Golfer" or "Hole Number".

A "Hole Number"

Classic Series/Hole Number (Sets of 9/18)
#HN9 \$1250.00 **#HN18 \$2400.00**

B "The Golfer"

Classic Series Golfer Signs (Sets of 9/18)
#TG9 \$1250.00 **#TG18 \$2400.00**

A The Classic Series - Hole Number

B The Classic Series - The Golfer

Don't RAKE your traps... GROOM THEM with The SmartComb™

Durability – Material improvements, UV stabilization allows us to offer a 36 month Replacement Warranty on SmartComb heads.

SAFER Handles – Won't crack or splinter. Poly sleeve keeps rake functional even if wood core is cracked. Unlike fiberglass handles, there's no fraying, shards or splinters.

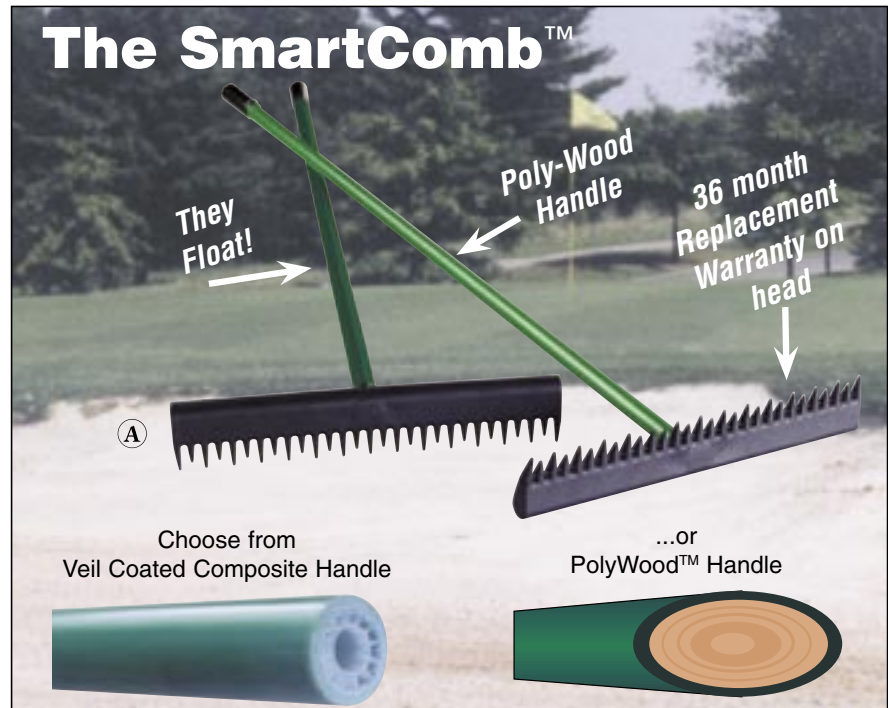

ECONOMICAL – Dollar for dollar SmartComb out-performs any rake in golf.

 Tine Configuration – long tines dig deep to remove footprints and impact craters. Short tines groom the trap for maximum smoothness.

 Teardrop Design – adds strength and rigidity to the rake head.

Ⓐ SmartComb Rakes
with GREEN PolyWood Handle
#15-SCR-48-PW \$11.00 ea.

- Size 4" high x 4-1/4" diameter
- #18100 Practice Green Cup \$4.25 ea.**

CUP CADDIE – Store, transport and wash your golf cups with ease, thanks to our new Cup Caddy. Daily changing and washing of your cups eliminates excess wear due to chemical, soil and sand buildup. Each rack holds 9 cups and they stack for easy transport. Keep an extra set of cups on hand. Rotate each day. They will last longer, and your players will appreciate your attention to detail. Steel construction with powder coated finish.

#18990 Cup Caddy \$44.50 ea.

CUP SETTER – automatically sets the cup 1" below the surface of the green as specified by the USGA. Set it, step on it and lift it out. Flattens and smooths adjacent turf.

#30100 Cup Setter \$9.50 ea.

CUP HOOK – Makes removing cup from green clean and easy

#33200 Cup Hook \$4.50 ea.

"008" White Metal Cups

- New Corrosion Proof Finish
- Compatible with all popular Cup Setters and Ferrules
- Sets of 9 include 18 crowns
- #008-9 \$175.00 set**

"008" Replacement Crowns

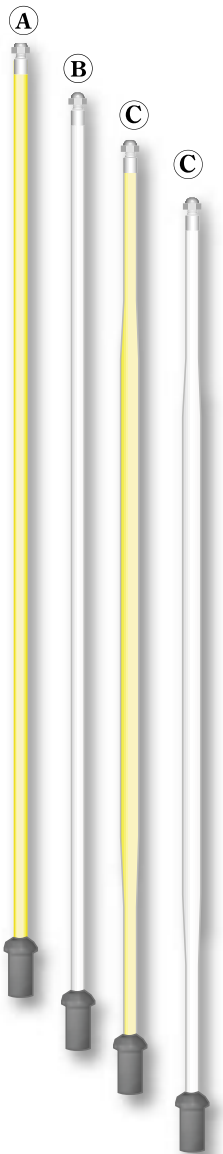

- Pure White Crown removes easily, but only when it's ready to be replaced.
- Durable Polycarbonate - no maintenance or painting needed.
- **Sets of 18 #008-CRWN \$53.95**

Markers Flagsticks featuring Innovative Ferrules

MarkSmart Flagsticks are UV stabilized, color impregnated, veil coated, fiberglass pultrusions for maximum strength, durability and splinter proof protection.

Our Innovative WDL Ferrules are injection molded from a composite material that combines Stainless Steel with a proprietary polymer to provide the preferred WEIGHT and DENSITY of metal and the LUBRICITY of a polymer ... HEAVY enough to stay in place ... SMOOTH enough (low friction) to permit easy removal and replacement for golfers and staff ...Simply an UNBEATABLE combination!

Standard MarkSmart Flags offer exceptional features and quality at a Reasonable Price

All MarkSmart Flags are Made in the USA using Dupont® SolarMax Nylon. This strong light weight material reacts best to wind changes, and it's UV stabilized, color-fast material accepts screen printing, transfers and embroidery customization.

- Engineered to provide long life
- Resistance to Wind and Sun
- Excellent Color Retention
- Easy-Spin, 2-Ply reinforced Soft Sleeve (handle)
- No tube or harness needed
- Patented (U.S. #7,100,529) Rotatable Tab Lock feature

Unique No-Tube Design
Our patented Soft-Sleeve reinforced 2-ply handle includes patented Rotatable Tab-Lock Attachment to assure easy spin. There is no need for costly tubes or harnesses

The Finishing Detail
Each flag receives double straight stitching and zig-zag stitching through 4-ply continuous border material for exceptional strength. Finally all corners are bar-tacked for added durability to resist wind damage and fraying.

9 Solid Flags	9SF-01		9SF-06	
\$7.50 ea.	9SF-02		9SF-08	
\$65.00/set of 9	9SF-03		9SF-09	

Specialty Flags

Standard Solid MarkSmart Flags can be customized with the addition of Hole Numbers and/or Contrasting Handles!

Pin Position Flag Sets

Mix & Match for Front-Middle-Back

9 flags, 3 ea. of 3 colors

Red-White-Blue **#RWB-3** \$65.00/set

#H2O-SUPR (6/case) \$85.00/lb.
- Ⓓ Brew Kit **#H2O-K ea. \$50.00 ea.**

FREE FREIGHT
for Case Quantities

What is it and how does it work?

H₂Organic™ is a proprietary formulation of natural microorganisms that restore ecological balance to lakes, fishponds, lagoons and water gardens. This ecological balance is established by removing primary plant and algae nutrients from the organic layer found on the pond's bottom. This removal is important because nutrients are an essential food for pond algae, including the microscopic algae that color the water green, to the stringy algae that form mats, to the leafy weeds that root in the pond's bottom.

"We installed H₂Organic™ in a half acre pond that has always been covered with algae and the odor was terrible. Within four weeks, the odor was gone... the algae was gone and even the pond bottom was clear."

— Terry Boehm, CGCS

Custom Signs for the Range from our Classic Designs Sign Shoppe

Featuring Color Coded Flags and Magnetic Numbers for Variable Distances

- Magnetic Numbers - easily changed to provide accurate distances when tee areas are moved.
- Clock keeps players aware of Tee Times.

U.S. Flags

U.S. Flags (Replacement)

ENDURA-NYLON™ (NF)

Embroidered Stars and Sewn Stripes

Recognized as America's #1 choice of U.S. Flags.

Expertly crafted using heavy-weight bunting made of 100% nylon. These nylon flags offer lustrous beauty, superior wear plus excellent flyability even in the slightest breeze. Its popular price combined with its reputation as the true all-weather flag makes it an outstanding value.

Markers Terms Of Sale

WARRANTY: Markers Inc. warrants that MarkSmart™ products are free from defects in materials and workmanship. Products thought to be defective must be returned to the factory for final determination. The Company will repair or replace product(s) if defective. The Company does not warrant against normal wear, abuse, vandalism, etc.

RETURNED MERCHANDISE AND CLAIMS: No returns will be accepted without a RETURN AUTHORIZATION NUMBER issued by the Company prior to the return. Any merchandise returned for any reason other than defective materials or workmanship will be charged a 15% restocking fee. All returns and claims for shortage of goods or defective products must be made within 30 days of receipt of goods.

TERMS: Net 30 days on all purchases to approved accounts. In addition to payment by check, money order or C.O.D., we accept:

To charge an order, we need the type of card, card account number and expiration date.

SHIPPING & HANDLING: All items FOB Avon Lake, Ohio or Regional Warehouse. Shipments made by FedEx Ground & Common Carrier. Freight prepaid & added to invoice.

Note: Standard Shipping and Handling Charge of 15% or \$10.00 (whichever is greater) will be added to invoice. CC items freight charges quoted separately & added.
